

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 25, 2022

Ms. Karen Horner
City Attorney
City of Friendswood
910 South Friendswood Drive
Friendswood, Texas 77546

OR2022-21773

Dear Mr. Horner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 961898 [PIR# W014908].

The City of Friendswood (the “city”) received a request for four categories of information pertaining to a specified address. The city states it does not maintain information responsive to a portion of the request.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information that is made confidential by other statutes. You raise section 552.101 in conjunction with section 418.181 of the Homeland Security Act (the “HSA”). Sections 418.176 through 418.182 were added to chapter 418 of the Government Code as part of the HSA. Section 418.181 provides “[t]hose documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.” *Id.* § 418.181. The fact that information may relate to a governmental body’s security concerns does not make the information *per se* confidential under the HSA. See Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. See *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive information falls within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You state the submitted information reveals technical details of layouts of city utilities, including storm sewer, sanitary sewer, and water systems. You assert, and we agree, the city's water and sewer systems are critical infrastructure for purposes of section 418.181. *See id.* § 421.001(2) (defining "critical infrastructure" to include "all public or private assets, systems, and functions vital to the security, governance, public health and safety, economy, or morale of the state or the nation"). You explain release of the information at issue would divulge vulnerabilities of the critical infrastructure to an act of terrorism. Based on your representations and our review, we find you have demonstrated the applicability of section 418.181 to the information at issue. Therefore, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.181 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
