

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

August 1, 2022

Mr. Chuong Q. Phung  
Deputy Assistant City Attorney  
City of Grand Prairie  
300 West Main Street  
Grand Prairie, Texas 75050

OR2022-22426

Dear Mr. Phung:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 962845 (GPCA# 22-0133).

The Grand Prairie Police Department (the “department”) received two requests from the same requestor for video recordings related to two specified incidents. You claim some of the submitted information was not properly requested pursuant to section 1701.661(a) of the Occupations Code. You also claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the submitted arguments and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note the requestor only seeks specified dashboard camera and body-worn camera recordings. Accordingly, only the submitted recordings are responsive to the request. This ruling does not address the public availability of any information that is not responsive to the request and the department is not required to release such information in response to this request.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested

<sup>1</sup> We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the responsive information relates to a pending investigation or prosecution. Based on your representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the responsive information under section 552.108(a)(1) of the Government Code.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Kelly McWethy  
Assistant Attorney General

<sup>2</sup> As we are able to make this determination, we do not address the applicability of section 1701.661(a) of the Occupations Code to the submitted body worn camera recordings. *See generally* Occ. Code § 1701.661(a), (e).
