Ms. Ariel San Miguel
Assistant City Attorney
City of Houston
P.O. Box 368

OR2022-22700

Dear Ms. Miguel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 964134 (GovQA Ref. No. N000751).

The City of Houston (the "city") received a request for certain information pertaining to the requestor's client. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008(b) of the Family Code, which provides as follows:

Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). The city asserts the submitted information is subject to section 58.008(b). Upon review, however, the city has failed to demonstrate any portion of the submitted information depicts an individual who is ten years of age or older and under the age of seventeen as a suspect or offender of delinquent conduct or conduct indicating a need for supervision. Therefore, the city may not withhold any portion of the submitted information under section 552.101 of the Government Code in conjunction with section 58.008 of the Family Code. As no further exceptions to disclosure have been raised, the city must release the submitted information.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Kimbell Kesling
Assistant Attorney General

¹ We note the requestor has a right of access to some of the information being released in this instance. *See* Gov’t Code § 552.023(a) (person or person’s authorized representative has special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person’s privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Because such information is confidential with respect to the general public, if the city receives another request for this information from a different requestor, the city must again seek a ruling from this office.
