ATTORNEY GENERAL OF TEXAS

Mr. Stephen Trautmann, Jr.  
Counsel for the United Independent School District  
Trautmann & Garcia, PLLC  
7110 Rocio Drive, #13  
Laredo, Texas 78041

OR2022-23154

Dear Mr. Trautmann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 964102.

The United Independent School District (the "district"), which you represent, received a request for information related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted a surveillance video recording related to the specified incident. To the extent any additional information responsive to the request existed on the date the district received the request, we assume you have released it. If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act. Section 418.182 provides in part:

(a) [I]nformation . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

*Id.* § 418.182(a). The fact information may generally be related to a security system does not make the information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute’s key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See* Gov’t Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You state the submitted information consists of footage from the security camera system at a district school building. You explain the purpose of the security camera system at issue is to “protect [d]istrict property, [d]istrict campuses, [d]istrict employees, and the public from acts of terrorism or related criminal activity.” You state release of the submitted information would reveal the coverage and capabilities of the district’s security system. Upon review, we find the submitted information relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep’t of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (recorded images necessarily relate to specifications of security system that recorded them, and thus, are confidential under section 418.182). Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
