Ms. Dianne M. Flores

Dear Ms. Flores:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 964426 (ORR# 2022-432).

Williamson County (the "county") received a request for information pertaining to a specified animal. The county claims some of the submitted information is excepted from disclosure under sections 552.1177, 552.136, and 552.137 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Id. § 552.1177(a). The county asserts the information it has marked under section 552.1177 identifies a person who adopted an animal from the county's animal shelter. The county also represents its animal shelter made a humane disposition of the animal at issue under an order of the commissioners court. Based on these representations, we agree the county

must withhold the information it has marked under section 552.1177 of the Government Code.¹ The county must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
