Dear Mr. Butler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 964629 (Request# PD-881-2022).

The Hurst Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the department only submitted video recordings. We assume, to the extent any information responsive to the remainder of the request existed on the date the department received the request, the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.006, .301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, or motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is

excepted from public release.¹ Gov't Code § 552.130(a). Upon review, we find the submitted video recordings contain motor vehicle record information. In this instance, the department states it does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the entire video recordings under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
