OR2022-23839

Dear Ms. Borschow:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 965768.

The El Paso Water Utilities Public Service Board (the “board”) received a request for information pertain to communications during a specified time period. You claim the submitted information is excepted from disclosure under sections 552.101 through 552.153 of the Government Code. We have considered the exceptions you claim.

Initially, we must address the board’s procedural obligations under section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov’t Code § 552.301(e). As of the date of this letter, the board has not submitted for our review written comments regarding the stated exceptions a copy or representative sample of the information at issue. Consequently, we find the board failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body’s failure to comply with the procedural requirements of section 552.301 results in the legal

presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the board raises exceptions to disclosure, because you have not submitted the information at issue for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
