ATTORNEY GENERAL OF TEXAS

August 12, 2022

Ms. T. Trisha Dang  
First Assistant City Attorney  
City of Sugar Land  
P.O. Box 110  
Sugar Land, Texas 77487-0110

OR2022-24022

Dear Ms. Dang:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 965550 (ORR# W014391).

The City of Sugar Land (the "city") received a request for drainage maps related to specified areas.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit written comments regarding why information should or should not be released).

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This section encompasses information protected by chapter 418 of the Government Code. As part of the Texas Homeland Security Act (the "HSA"), sections 418.176 through 418.182 were added to chapter 418 of the Government Code. These provisions make confidential certain information related to terrorism. Section 418.181 of the Government Code provides the following:

---

<sup>1</sup> We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

Those documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.

*Id.* § 418.181; *see also id.* § 421.001(2) (defining “critical infrastructure” to include all public or private assets, systems, and functions vital to security, governance, public health and safety, economy, or morale of state or nation). The fact that information may relate to a governmental body’s security concerns does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute’s key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov’t Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You claim release of the information at issue would identify the technical details of particular vulnerabilities of the city to an act of terrorism. However, we find you have failed to demonstrate any of the submitted information identifies the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism. Therefore, the city may not withhold any of the submitted information under section 552.101 of the Government Code in conjunction with section 418.181 of the Government Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Tim Neal  
Assistant Attorney General
