OR2022-24156

Dear Mr. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 965441 (ORR No. W039368).

The City of Killeen (the "city") received a request for certain information pertaining to a specified utility. You claim the requested information is excepted from disclosure under section 552.1331 of the Government Code. We have considered the exception you claim.¹

Section 552.1331 of the Government Code provides, in part:

(a) In this section:

¹ We note the city has not submitted the requested utility information for our review. Although in this instance we can determine the extent to which this fungible information may be excepted from disclosure, we advise the city in the future to submit for review the information that it seeks to protect from disclosure and for which it seeks a ruling from this office. *See* Gov't Code §§ 552.301, .302.

(1) “Advanced metering system” means a utility metering system that collects data at regular intervals through the use of an automated wireless or radio network.

(2) “Government-operated utility” has the meaning assigned by Section 182.051, Utilities Code.

(b) Except as provided by Subsection (c) of this section and Section 182.052, Utilities Code, information maintained by a government-operated utility is excepted from the requirements of Section 552.021 if it is information that:

(1) is collected as part of an advanced metering system for usage, services, and billing, including amounts billed or collected for utility usage; or

(2) reveals whether:

(A) an account is delinquent or eligible for disconnection; or

(B) services have been discontinued by the government-operated utility.

(c) A government-operated utility must disclose information described by Subsection (b)(1) to a customer of the utility or a representative of the customer if the information directly relates to utility services provided to the customer and is not confidential under law.

Gov’t Code § 552.1331(a)-(c). We understand the city is a government-operated utility for purposes of section 552.1331. *See* Util. Code § 182.051(3) (providing a “government-operated utility” is a governmental body or entity that, for compensation, provides water, wastewater, sewer, gas, garbage, electricity, or drainage service). You state the information at issue reveals whether utility services have been discontinued by the city. Based on this representation and our review, we conclude the city must withhold the requested information under section 552.1331(b)(2)(B) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
