

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 15, 2022

Ms. Josi Diaz
Assistant City Attorney
City of Dallas
1400 Botham Jean Boulevard
Dallas, Texas 75215

OR2022-24210

Dear Ms. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 965762 (ORR# D007990).

The Dallas Police Department (the "department") received a request for information related to a specified investigation. You claim portions of the submitted information are excepted from disclosure under sections 552.108 and 552.130 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Initially, we note some of the submitted information may have been the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2022-17526 (2022). In that ruling, we determined the department may withhold the information it marked under section 552.108(a)(1) of the Government Code and must release the remaining information. We have no indication there has been any change in the law, facts, or circumstances on which the previous ruling was based. Accordingly, the department must rely on Open Records Letter No. 2022-17526 as a previous determination

¹ Although you do not raise section 552.130 of the Government Code in your brief, we understand you to assert this exception based on your markings.

² We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

and withhold or release any identical information in accordance with that ruling.³ *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

Next, we note, and you acknowledge, the department failed to comply with section 552.301 of the Government Code. *See* Gov't Code § 552.301(b), (e). Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.3d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the department may withhold the information at issue under section 552.108 of the Government Code on behalf of the district attorney's office. Additionally, because section 552.130 of the Government Code can provide compelling a reason to overcome the presumption of openness, we will also consider its applicability to the information at issue.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The district attorney's office objects to the release of the information at issue because it relates to a pending criminal investigation, and release of the information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

³ As we are able to make this determination, we need not address your arguments against disclosure of this information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

In summary, the department must rely on Open Records Letter No. 2022-17526 as a previous determination and withhold or release any identical information in accordance with that ruling. The department: (1) may withhold the information you have marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office; (2) must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code; and (3) must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
