

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 15, 2022

Mr. Montgomery Meitler
Senior Counsel
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2022-24250

Dear Ms. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 965906 (PIR #53853).

The Texas Education Agency (the "agency") received a request for information pertaining to three specified investigations. You state you will release some information to the requestor. You also state you will withhold student-identifying information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You further state you will withhold e-mail addresses subject to section 552.137 of the Government Code pursuant to Open Records Decision No. 684 (2009).² You claim the submitted information is excepted from disclosure under sections 552.101, 552.107, and 552.116 of the Government Code and privileged under Texas Rule

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>

² Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain information, including personal e-mail addresses under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision.

of Civil Procedure 192.5. We have considered the submitted arguments and reviewed the submitted representative sample of information.³

Initially, we note, and you acknowledge some of the submitted information consists of a completed investigation that is subject to section 552.022 of the Government Code. Section 552.022(a)(1) provides for required public disclosure of “a completed report, audit, evaluation, or investigation made of, for, or by a governmental body” unless the information is excepted from disclosure under section 552.108 of the Government Code or expressly confidential under the Act or “other law.” Gov’t Code § 552.022(a)(1). The Texas Supreme Court has held the Texas Rules of Civil Procedure are “other law” for the purposes of section 552.022. *See In re City of Georgetown*, 53 S.W.3d 328, 337 (Tex. 2001). Accordingly, we will address your claim under Texas Rule of Civil Procedure 192.5.

Rule 192.5 encompasses the attorney work product privilege. Rule 192.5 defines work product as

- (1) material prepared or mental impressions developed in anticipation of litigation or for trial by or for a party or a party’s representatives, including the party’s attorneys, consultants, sureties, indemnitors, insurers, employees, or agents; or
- (2) a communication made in anticipation of litigation or for trial between a party and the party’s representatives or among a party’s representatives, including the party’s attorneys, consultants, sureties, indemnitors, insurers, employees or agents.

TEX. R. CIV. P. 192.5(a). A governmental body seeking to withhold information under this exception bears the burden of demonstrating the information was created or developed for trial or in anticipation of litigation by or for a party or a party’s representative. *Id.* 192.5; Open Records Decision No. 677 at 6-8 (2002). In order for this office to conclude the information was made or developed in anticipation of litigation, we must be satisfied that

- a) a reasonable person would have concluded from the totality of the circumstances surrounding the investigation that there was a substantial chance that litigation would ensue; and b) the party resisting discovery believed in good faith that there was a substantial chance that litigation would ensue and [created or obtained the information] for the purpose of preparing for such litigation.

Nat’l Tank Co. v. Brotherton, 851 S.W.2d 193, 207 (Tex. 1993). A “substantial chance” of litigation does not mean a statistical probability, but rather “that litigation is more than merely an abstract possibility or unwarranted fear.” *Id.* at 204; ORR 677 at 7.

³ We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Furthermore, if a requestor seeks a governmental body's entire litigation file, the governmental body may assert the file is excepted from disclosure in its entirety because such a request implicates the attorney work product privilege. *See* ORD 677 at 5-6. Thus, in such a situation, if the governmental body demonstrates the file was created in anticipation of litigation, this office will presume the entire file is within the scope of the privilege. *See* Open Records Decision No. 647 at 5 (1996) (organization of attorney's litigation file necessarily reflects attorney's thought processes (citing *Nat'l Union Fire Ins. Co. v. Valdez*, 863 S.W.2d 458, 461 (Tex. 1993))); *see also* *Curry v. Walker*, 873 S.W.2d 379, 380 (Tex. 1994) (holding "the decision as to what to include in [the file] necessarily reveals the attorney's thought processes concerning the prosecution or defense of the case").

You inform us the agency "regulates and oversees all aspects of the certification, continuing education, and enforcement of standards of conduct for certified educators in Texas public schools under the authority of [c]hapter 21 of the Education Code." *See* Educ. Code §§ 21.031(a), .041. You also explain the agency litigates enforcement proceedings under the Administrative Procedure Act (the "APA"), chapter 2001 of the Government Code. *See id.* § 21.041(b)(7); 19 T.A.C. § 249.3. You state the information you marked consists of the entire case file pertaining to an investigation of alleged educator misconduct. You also state the file was created by attorneys, legal staff, and other representatives of the agency in anticipation of litigation. Based on these representations, we conclude the agency may withhold the information you marked as attorney work product under Texas Rule of Civil Procedure 192.5.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 39.004 of the Education Code, which provides, in part, as follows:

(e) Unless otherwise provided by law, all evidence collected by the agency in connection with a special investigation, including witness statements and videos of agency interviews, are confidential and not subject to disclosure under [the Act], except that evidence described by this section may be disclosed:

- (1) to a person with a legitimate interest in the investigation; or
- (2) in connection with an administrative or other legal proceeding brought under this title.

Educ. Code § 39.004(e). You state the information you marked was collected and prepared by the agency's Division Compliance and Inquiries in connection with pending special investigations. You also state the special investigations were authorized by section 39.003(a)(17) of the Education Code. *See id.* § 39.003 (listing circumstances in which the commissioner shall authorize investigations). Based upon these representations and our review, we agree the information at issue constitutes evidence collected by the agency in connection with special investigations. Accordingly, the agency must withhold the

information you marked under section 552.101 of the Government Code in conjunction with section 39.004(e) of the Education Code.

Section 552.107(1) of the Government Code protects information coming within the attorney-client privilege. *See* Gov't Code § 552.107(1). When asserting the attorney-client privilege, a governmental body has the burden of providing the necessary facts to demonstrate the elements of the privilege in order to withhold the information at issue. Open Records Decision No. 676 at 6-7 (2002). First, a governmental body must demonstrate that the information constitutes or documents a communication. *Id.* at 7. Second, the communication must have been made “to facilitate the rendition of professional legal services” to the client governmental body. TEX. R. EVID. 503(b)(1). The privilege does not apply when an attorney or representative is involved in some capacity other than that of providing or facilitating professional legal services to the client governmental body. *In re Tex. Farmers Ins. Exch.*, 990 S.W.2d 337, 340 (Tex. App.—Texarkana 1999, orig. proceeding) (attorney-client privilege does not apply if attorney acting in a capacity other than that of attorney). Governmental attorneys often act in capacities other than that of professional legal counsel, such as administrators, investigators, or managers. Thus, the mere fact that a communication involves an attorney for the government does not demonstrate this element. TEX. R. EVID. 503(b)(1). Thus, a governmental body must inform this office of the identities and capacities of the individuals to whom each communication at issue has been made. Lastly, the attorney-client privilege applies only to a *confidential* communication, *id.*, meaning it was “not intended to be disclosed to third persons other than those: (A) to whom disclosure is made to further the rendition of professional legal services to the client; or (B) reasonably necessary to transmit the communication.” *Id.* 503(a)(5). Whether a communication meets this definition depends on the *intent* of the parties involved at the time the information was communicated. *Osborne v. Johnson*, 954 S.W.2d 180, 184 (Tex. App.—Waco 1997, orig. proceeding). Moreover, because the client may elect to waive the privilege at any time, a governmental body must explain that the confidentiality of a communication has been maintained. Section 552.107(1) generally excepts an entire communication that is demonstrated to be protected by the attorney-client privilege unless otherwise waived by the governmental body. *See Huie v. DeShazo*, 922 S.W.2d 920, 923 (Tex. 1996) (privilege extends to entire communication, including facts contained therein).

You state the information you marked consists of communications between attorneys for the agency and agency employees that were made for the purpose of providing legal services to the agency. You further state the communications were intended to be, and have remained, confidential. Based upon your representations and our review, we find you have demonstrated the applicability of the attorney-client privilege to the information at issue. Therefore, the agency may withhold the information you marked under section 552.107(1) of the Government Code.

Section 552.116 of the Government Code provides,

- (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a

hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the remaining information consists of audit working papers that were prepared or are maintained by the agency's Divisions of Investigations and Compliance and Inquiries in connection with pending special investigations. You inform us these investigations were authorized by section 39.003(a) of the Education Code. *See* Educ. Code § 39.003(a). Based upon these representations and our review, we agree the information at issue consists of audit working papers for purposes of section 552.116. Therefore, the agency may withhold the remaining information under section 552.116 of the Government Code.

In summary, the agency may withhold the information you marked as attorney work product under Texas Rule of Civil Procedure 192.5. The agency must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 39.004(e) of the Education Code. The agency may withhold the information you marked under section 552.107(1) of the Government Code. The agency may withhold the remaining information under section 552.116 of the Government Code.
