Dear Ms. Boyd:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 965315.

The Williamson County Sheriff's Office (the "sheriff's office") received four requests from the same requestor for information pertaining to a specified incident involving the requestor's client. The sheriff's office states it will redact dates of birth pursuant to Open Records Letter No. 2016-21706 (2016).¹ The sheriff's office claims the submitted information is excepted from disclosure under sections 552.101, 552.130, and 552.1315 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only

¹ Open Records Letter No. 2016-21706 is a previous determination issued to the sheriff's office authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without seeking a ruling from this office. *See* Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The sheriff's office argues the submitted information is subject to chapter 261 of the Family Code. Upon review, we find the sheriff's office has not demonstrated any portion of the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect under section 261.201(a)(2). Furthermore, the sheriff's office has not established the information is a report of alleged or suspected abuse or neglect made under section 261.201(a)(1). *See id.* § 261.001(1), (4) (defining "abuse" and "neglect" for purposes of Fam. Code ch. 261). Therefore, the sheriff's office may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her client's motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Upon review, we find the submitted video recordings contain confidential motor vehicle record information that does not pertain to the requestor's client. In this instance, the sheriff's office states it does not possess the technological capability to redact information from video files. Thus, we agree the sheriff's office must withhold the submitted video recordings in their entirety under section 552.130 of the Government Code.² *See* Open Records Decision No. 364 (1983). Further, we find portions of the remaining information consist of motor vehicle record information. Accordingly, the sheriff's office must withhold the information it marked and the additional information we marked within the remaining information under section 552.130 of the

² As our ruling is dispositive, we need not address the remaining arguments against disclosure of the video recordings nor the applicability of section 1701.661(a) of the Occupations Code to the submitted body worn camera video recording. *See generally* Occ. Code § 1701.661(a), (e).

Government Code. The sheriff's office must release the remaining information to this requestor.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
