

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 17, 2022

Mr. Michael T. Garner
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2022-24564

Dear Mr. Garner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 966597 (Ref. No. OR-2022-0458).

The Conroe Police Department (the "department") received a request for information pertaining to a specified incident involving the requestor's client. You state the department has released some of the requested information to the requestor. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information includes a recording from an officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides the procedures a requestor must follow when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recording at issue. However, section 1701.661(f) provides, in relevant part:

¹ Although the department also raises section 552.108 of the Government Code, the department has not provided any arguments to support this exception. Therefore, we assume the department has withdrawn its claim this section applies to the information at issue. *See* Gov't Code §§ 552.301, .302.

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the video recording at issue consists of a body worn camera recording involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You also state the department has not received a written authorization for release from all of the subjects of the recording. *See id.* Accordingly, we find the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² *See* Gov't Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his client's motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); ORD 481 at 4 (privacy theories not implicated when individuals request information concerning themselves). Accordingly, with the exception of the information pertaining to the requestor's client, the department must withhold all visible or audible license plates, license plate numbers, and states of issuance within the remaining video recordings under section 552.130 of the Government Code.

In summary, the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. With the exception of the information pertaining to the requestor's client, the department must withhold all visible or audible license plates, license plate numbers, and states of issuance within the remaining video recordings under section 552.130 of the Government Code. The department must release the remaining information.³

² The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

³ We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a); ORD 481 at 4. Thus, if the department receives another request for the same information from a different requestor, the department must again seek a decision from this office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
