Mr. Mark G. Mann
Senior Assistant City Attorney
City of Garland
P.O. Box 469002
Garland, Texas 75046-9002

OR2022-24594

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 967003 (Ref. No. GCA22-0730).

The Garland Police Department (the "department") received a request for fourteen categories of information pertaining to a specified incident involving the requestor's client. You state you have released some information to the requestor. You state you will redact dates of birth pursuant to Open Records Letter No. 2017-22182 (2017).¹ You claim some of the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection,

¹ Open Records Letter No. 2017-22182 is a previous determination issued to the department authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without seeking a ruling from this office. *See* Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the information at issue pertains to a pending criminal investigation. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information at issue. Therefore, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code.³

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country. *See* Gov’t Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code. The department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ³ As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.
