

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 19, 2022

Mr. Joseph Sanders
Senior Assistant City Attorney
City of Port Arthur
P.O. Box 1089
Port Arthur, Texas 77641-1089

OR2022-24874

Dear Mr. Sanders:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 966854 (City ID No. 22-021).

The City of Port Arthur (the "city") received a request for five categories of information. You state you have released or will release some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, you state a portion of the submitted information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2022-18335 (2022). In that ruling, we determined the city must release the submitted information. We have no indication there has been any change in the law, facts, or circumstances on which the previous ruling was based. Accordingly, we conclude the city must rely on Open Records Letter No. 2022-18355 as a previous determination and release the identical information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

Code § 552.101. Section 552.101 encompasses information protected by section 143.089 of the Local Government Code. We understand the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the maintenance of two different types of personnel files for each police officer employed by a civil service city: one that must be maintained as part of the officer's civil service file and another that the police department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). Under section 143.089(a), the officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in any instance in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(3). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055. A letter of reprimand does not constitute discipline under chapter 143. *See* Attorney General Opinion JC-0257. In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113,122 (Tex. App.—Austin 2003, no pet.).

All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). Information relating to alleged misconduct or disciplinary action taken must be removed from the police officer's civil service file if the police department determines that there is insufficient evidence to sustain the charge of misconduct or that the disciplinary action was taken without just cause. *See* Local Gov't Code § 143.089(b)-(c).

Section 143.089(g) authorizes a police department to maintain, for its own use, a separate and independent internal personnel file relating to a police officer. *See id.* § 143.089(g). Section 143.089(g) provides as follows:

A fire or police department may maintain a personnel file on a fire fighter or police officer employed by the department for the department's use. [T]he department may not release any information contained in the department file to any agency or person requesting information relating to a fire fighter or police officer. The department shall refer to the director or the director's designee a person or agency that requests information that is maintained in the fire fighter's or police officer's personnel file.

Id. In *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946 (Tex. App.—Austin 1993, writ denied), the court addressed a request for information contained in a police

officer's personnel file maintained by the police department for its use and the applicability of section 143.089(g) to that file. The records included in the departmental personnel file related to complaints against the police officer for which no disciplinary action was taken. The court determined section 143.089(g) made these records confidential. *See* 851 S.W.2d at 949; *see also City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied) (restricting confidentiality under Local Gov't Code § 143.089(g) to “information reasonably related to a police officer's or fire fighter's employment relationship”); Attorney General Opinion JC-0257 at 6-7 (2000) (addressing functions of Local Gov't Code § 143.089(a) and (g) files).

You state the information at issue is contained within the city police department's internal files maintained pursuant to section 143.089(g) of the Local Government Code. Based on your representation and our review, we find the information you indicated is confidential under section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code.

In summary, the city must rely on Open Records Letter No. 2022-18355 as a previous determination and release the identical information in accordance with that ruling. The city must withhold the information you indicated under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
