

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

August 23, 2022

Mr. Mark E. Sossi  
Counsel for the City of Harlingen  
Troiani and Sossi, P.L.L.C.  
611 East Washington Street  
Brownsville, Texas 78520

OR2022-25285

Dear Mr. Sossi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 965610 (Reference Number C002897-060822).

The City of Harlingen (the "city"), which you represent, received a request for certain training logs during a stated period of time.<sup>1</sup> You claim the requested information is excepted from disclosure under sections 552.101, 552.102, and 552.1175 of the Government Code. We have considered the exceptions you claim.

We must address the city's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). In this instance, you inform us, the city received the present request for information on June 8, 2022. As of the date of this letter, the city has not submitted for our review a copy of the written request for information, written comments stating the reasons why your claimed exceptions apply, or a copy or representative sample of the information requested. Consequently, we find the city has failed to comply with the requirements of section 552.301 of the Government Code.

---

<sup>1</sup> As the city has not submitted a copy of the request for information, we take our description of the information requested from its brief.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Because the city has not submitted the requested information for our review, we have no basis for finding any of the information at issue excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
