Mr. Victor I. Cerda
Counsel for the Eagle Pass Independent School District

Dear Mr. Cerda:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 963808.

The Eagle Pass Independent School District (the "district"), which you represent, received a request for a specified incident report. The district claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, the district informs us the district has redacted student-identifying information in the submitted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ However, FERPA is not applicable to law enforcement records maintained by the district's Police Department (the "department") that were created by the department for a law enforcement purpose. *See* 20 U.S.C. § 1232g(a)(4)(B)(ii); 34 C.F.R. §§ 99.3, 99.8. The submitted information includes records that were created by the department for the purpose of law enforcement. Thus, these records are not subject to FERPA, and no portion of these records may be withheld

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

on that basis. Because we are able to discern the nature of the redacted information, we are not prevented from determining whether that information falls within the scope of the district's exceptions to disclosure. Accordingly, we will address the district's arguments with respect to the information at issue, including the redacted information. Nevertheless, we caution the district that a failure to provide this office with requested information generally deprives us of the ability to determine whether information may be withheld and leaves this office with no alternative other than ordering the redacted information to be released. *See* Gov't Code § 552.301(e)(1)(D) (governmental body must provide this office with copy of specific information requested or representative sample if information is voluminous).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008(b) of the Family Code, which provides as follows:

Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a)-(b) (defining "delinquent conduct" and "conduct indicating a need for supervision" for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining "child" for purposes of title 3 of Family Code). The district states the offender in the submitted report was a juvenile at the time of the conduct at issue. The district also informs us the requestor is not a parent of that juvenile offender. Based on these representations, we conclude the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
