Dear Ms. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 967916 (ORR# W450435).

The City of San Antonio (the "city") received a request for records related to a specified incident. The city states it is releasing some of the requested information. The city claims some of the submitted information is excepted from disclosure under section 552.1177 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Gov't Code § 552.1177(a). The city asserts portions of the submitted information are confidential under section 552.1177 of the Government Code. Upon review, we find the city has not demonstrated the applicability of section 552.1177 to the information at issue. Therefore, the city may not withhold any of the information it marked under section 552.1177 of the Government Code. The city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
