

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 23, 2022

Mr. Christopher Mullins
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor
Fort Worth, Texas 76102

OR2022-25461

Dear Mr. Mullins:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 966855 (Ref. No. E003334-060122).

The City of Fort Worth (the "city") received a request for specified body worn camera footage pertaining to a specified incident involving the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes. The submitted information consists of police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recordings at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion of a recording made in a private space . . . without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). Upon review, we find portions of the body worn camera recordings at issue were made in a private space. *See id.* § 1701.651(3) (defining “private space” for purposes of section 1701.661(f)). You state the city has not received written authorization for release from the subject of the portions of the recordings made in the private space. *See id.* § 1701.661(f). Accordingly, the city must withhold the information we have indicated under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. However, we find no portion of the remaining body worn camera recordings were made in a private space. Therefore, the city may not withhold any portion of the remaining information under section 552.101 of the Government Code in conjunction with section 1701.661 of the Occupations Code.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator’s or driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country.¹ *See Gov’t Code* § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her own motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person’s agent on ground that information is considered confidential by privacy principles); ORD 481 at 4. Accordingly, to the extent the information does not belong to the requestor, the city must withhold all license plates, states of issuance, and registration stickers within the remaining information under section 552.130 of the Government Code.

In summary, the city must withhold the information we have indicated under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. To the extent the information does not belong to the requestor, the city must withhold all license plates, states of issuance, and registration stickers within the remaining information under section 552.130 of the Government Code. The city must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision* Nos. 481 (1987), 480 (1987), 470 (1987).

² We note the requestor has a special right of access to some of the information being released. *See Gov’t Code* § 552.023(a); ORD 481 at 4 (1987). Accordingly, if the city receives another request for this information from a different requestor, the city must again request a ruling from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
