Mr. Stephen Stephens
Uvalde Emergency Medical Services, Inc.
Post Office Box 64
Uvalde, Texas 78802

OR2022-26085

Dear Mr. Stephens:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 966721.

The Uvalde Emergency Medical Services ("EMS") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor has asked EMS to answer questions. The Act does not require a governmental body to answer factual questions, conduct legal research, or create new information in responding to a request. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, a governmental body must make a good faith effort to relate a request to information held by the governmental body. *See* Open Records Decision No. 561 at 8 (1990). We assume EMS has made a good faith effort to do so.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 414 at 4-5 (1987). Where a governmental body has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement

agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. We understand the Texas Department of Public Safety (“DPS”) objects to release of the submitted information because it relates to its ongoing criminal investigation. Based on this representation and our review, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, EMS may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of DPS. We note section 552.108 is discretionary in nature and does not make information confidential under the Act. *See Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov’t Code § 552.108 subject to waiver)*. Thus, EMS has the discretion to release all or part of the submitted information that is not otherwise confidential by law. Gov’t Code § 552.007.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Kelly McWethy
