ATTORNEY GENERAL OF TEXAS

August 29, 2022

Mr. Michael T. Garner
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2022-26091

Dear Mr. Garner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 968795 (Ref. No. OR-2022-0532).

The Conroe Police Department (the "department") received a request for information pertaining to a specified incident involving the requestor. You state the department has released some of the requested information to the requestor, including the police officer's crash report pursuant to section 550.065(c) of the Transportation Code. *See* Transp. Code § 550.065(c). You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

You state the department redacted certain information pursuant to section 552.130(c) of the Government Code.² Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her own motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person’s agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Accordingly, with the exception of the information pertaining to the requestor, the department must withhold all visible license plates and registration stickers within the remaining video recordings under section 552.130 of the Government Code.

In summary, the submitted body worn camera recording was not properly requested pursuant to chapter 1701 of the Occupations Code and it need not be released. With the exception of the information pertaining to the requestor, the department must withhold all visible license plates and registration stickers within the remaining video recordings under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹ As we are able to make this determination, we need not address your argument against disclosure of this information.

² Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov’t Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
