Dear Mr. Barry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 970528 (File Reference No. Red Oak-ML01).

The City of Red Oak (the "city"), which you represent, received a request for certain information pertaining to a specified utility during a defined period of time. You claim the submitted information is excepted from disclosure under section 552.1331 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.1331 of the Government Code provides, in part:

(a) In this section:

(1) "Advanced metering system" means a utility metering system that collects data at regular intervals through the use of an automated wireless or radio network.

(2) "Government-operated utility" has the meaning assigned by Section 182.051, Utilities Code.

(b) Except as provided by Subsection (c) of this section and Section 182.052, Utilities Code, information maintained by a government-operated utility is excepted from the requirements of Section 552.021 if it is information that:

(1) is collected as part of an advanced metering system for usage, services, and billing, including amounts billed or collected for utility usage; or

(2) reveals whether:

(A) an account is delinquent or eligible for disconnection; or

(B) services have been discontinued by the government-operated utility.

Gov't Code § 552.1331(a)–(b). We understand the city is a government-operated utility for purposes of section 552.1331. *See* Util. Code § 182.051(3) (providing a “government-operated utility” is a governmental body or entity that, for compensation, provides water, wastewater, sewer, gas, garbage, electricity, or drainage service). You state the submitted information was collected as part of an advanced metering system for usage, services, and billing. Based upon this representation, we conclude the city must withhold the submitted information under section 552.1331(b)(1) of the Government Code.

Finally, you also ask this office to issue a previous determination that would permit the city to withhold information under section 552.1331 of the Government Code without requesting a ruling from this office. *See* Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Kimbell Kesling
Assistant Attorney General
