ATTORNEY GENERAL OF TEXAS

September 2, 2022

Mr. Ariel San Miguel
Assistant City Attorney
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2022-26792

Dear Mr. San Miguel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 969882 (GovQA No. R071567).

The City of Houston (the "city") received a request for information pertaining to a specified bid. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of American Tire Distributors, Inc.; JsUPER Investments LLC; and Laporte Tire Center. Accordingly, you state, and provide documentation showing, you notified these third parties of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note a portion of the request requires the city to answer a question. The Act does not require a governmental body to answer general questions, perform legal research, or create new information in response to a request for information. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, the Act does require the governmental body to make a good faith effort to relate a request to information that the governmental body holds or to which it has access. *See* Open Records Decision Nos. 563 at 8, 561 at 8-9 (1990), 555 at 1-2, 534 at 2-3 (1989). In this instance, we assume the city has made a good faith effort to locate any information responsive to this request.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the notified third parties explaining why the submitted information should not be released. Therefore, we have no basis to conclude any of the notified third parties has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest the notified third parties may have in the information. The city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Nick Ybarra
