OR2022-26805

Dear Mr. Garza:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 967634.

The City of Penitas (the "city"), which you represent, received a request for all e-mails and attachments sent to or from a specified e-mail address during a stated time period. You claim the requested information is excepted from disclosure under sections 552.101 through 552.154 of the Government Code and privileged under rule 503 of the Texas Rules of Evidence and rule 192.5 of the Texas Rules of Civil Procedure. We have considered the submitted arguments.

We must address the city's procedural obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). We note the city received the request on June 16, 2022. As of the date of this letter, the city has not submitted for our review written comments stating the reasons why the claimed privileges and exceptions apply or a copy or representative sample of the requested information. Consequently, we conclude the city has failed to comply with the procedural requirements mandated by section 552.301(e) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the city raises arguments against disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
