ATTORNEY GENERAL OF TEXAS

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78207

OR2022-27233

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 970642 (ORR# W454160).

The San Antonio Police Department (the "department") received a request for records related to an incident involving a named individual.¹ The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Upon review, we find some of the submitted information, which we marked, satisfies the standard

¹ The department states it sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the department must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find the department has not demonstrated any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the department may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
