

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 7, 2022

Mr. Kevin Christiansen
Staff Attorney
Katy Independent School District
P.O. Box 159
Katy, Texas 77492-0159

OR2022-27269

Dear Mr. Christiansen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 970714 [ORR 21967].

The Katy Independent School District (the "district") received a request for information pertaining to a specified incident. You state the district will redact certain information subject to section 552.117(a)(1) of the Government Code as permitted by section 552.024(c) of the Government Code.¹ You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

¹ Section 552.024(c)(2) of the Government Code authorizes a governmental body to redact information protected by section 552.117(a)(1) of the Government Code without the necessity of requesting a decision under the Act if the current or former employee or official to whom the information pertains timely chooses not to allow public access to the information. *See* Gov't Code § 552.024(c)(2).

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of a completed investigation subject to section 552.022(a)(1). The district must release the submitted information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.103 of the Government Code for this information, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the submitted information may not be withheld under section 552.103. However, you also raise sections 552.101, 552.108, and 552.130 of the Government Code. Sections 552.101 and 552.130 make information confidential under the Act and, as noted above, information subject to section 552.022(a)(1) may be withheld under section 552.108. Therefore, we will consider your arguments under sections 552.101, 552.108, and 552.130 of the Government Code for the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* _ 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). Here, the requestor is a person listed under section 550.065(c). Although the district asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the district may not withhold the information under section 552.108 of the Government Code. Thus, the district must release the accident report to the requestor pursuant to section 550.065(c).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred

adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). You assert the remaining information relates to a criminal investigation by the district's police department that concluded in a result other than conviction or deferred adjudication. Based upon your representation, we conclude section 552.108(a)(2) is applicable to the information at issue.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information includes, among other items, a detailed description of the offense, but does not include, among other items, motor vehicle record information encompassed by section 552.130 of the Government Code, information related to witnesses or victims who are not the complainant, or dates of birth. *See id.* at 3-4. Accordingly, with the exception of basic information, the district may withhold the remaining information under section 552.108(a)(2) of the Government Code.²

In summary, the district must release the submitted CR-3 report pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must be released, the district may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
