Dear Ms. Henry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 970851 (Ref. No. P022538-062022).

The Plano Police Department (the "department") received two requests from two different requestors for information pertaining to a specified incident involving the requestor's client. You state the department has released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses chapter 1701 of the Occupations Code. We note the submitted information consists of a recording from a department officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestors provide the requisite information for the

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

body worn camera recording at issue. However, the department raises section 1701.661(f) of the Occupations Code for the submitted body worn camera recording. Section 1701.661(f) provides:

A law enforcement agency may not release any portion of a recording made in a private space, or of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Occ. Code § 1701.661(f). Upon review, we find the department has failed to establish the applicability of section 1701.661(f) to the recording at issue and it may not be withheld under section 552.101 of the Government Code on that basis.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country.² *See* Gov't Code § 552.130. We note, because section 552.130 protects privacy interests, the first requestor has a right of access to his client's motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) (person or person's authorized representative has special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person's privacy interests); ORD 481 at 4 (privacy theories not implicated when individuals request information concerning themselves). Accordingly, except for the motor vehicle record information to which the first requestor has a right of access to pursuant to section 552.023, the department must withhold all audible and visible license plates and vehicle registration stickers in the remaining information under section 552.130 of the Government Code. The department must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

² The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

³ As previously noted, the requestor has a right of access to some of the information being released in this instance. *See* Gov't Code § 552.023(a); ORD 481 at 4. Thus, if the department receives another request for the same information from a different requestor, the department must again seek a decision from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
