ATTORNEY GENERAL OF TEXAS

September 9, 2022

Mr. Chuong Q. Phung  
Assistant City Attorney  
City of Grand Prairie  
300 West Main Street  
Grand Prairie, Texas 75953-4045

OR2022-27650

Dear Mr. Phung:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 969690 (GPCA Ref. No. 22-0161).

The Grand Prairie Police Department (the "department") received a request for information pertaining to a specified motor vehicle accident. The department states it has released some information to the requestor. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

---

<sup>1</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the submitted body worn camera recordings. The submitted body worn camera recordings reflect they were required to be made by law or the policies of the department and relate to a law enforcement purpose. *See id.* 1701.661(h). We note, however, section 1701.661(c) and section 1701.661(d) provide:

(c) Except as provided by Subsection (d), information recorded by a body worn camera and held by a law enforcement agency under this subchapter is not subject to the requirements of Section 552.021, Government Code.

(d) Information that is or could be used as evidence in a criminal prosecution is subject to the requirement of Section 552.021, Government Code.

*Id.* § 1701.661(c)-(d). The department states the body worn camera recordings at issue relate to an incident that “was not criminal in nature.” Further, the department states the body worn camera recordings could not be used as evidence in a criminal prosecution. Based upon the department’s representations and our review, we agree the submitted body worn camera recordings are confidential and must be withheld under section 552.101 of the Government Code in conjunction with section 1701.661(c) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Gerald A. Arismendez  
Assistant Attorney General
