Ms. Terri Bradley  
Records Division

Rosenberg, Texas 77471

OR2022-27892

Dear Ms. Bradley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 971907.

The Rosenberg Police Department (the "department") received a request for information pertaining to the requestor's address and three specified incidents. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the department has only submitted video recordings. To the extent any information responsive to the remaining portion of the request existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov’t Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> *See* Gov’t Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his own motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from him under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person’s agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Accordingly, with the exception of the motor vehicle record information belonging to the requestor, the department must withhold all visible license plates and vehicle registration stickers under section 552.130 of the Government Code.

In summary, the submitted body worn camera recording was not properly requested pursuant to chapter 1701 of the Occupations Code and it need not be released. With the exception of the motor vehicle record information belonging to the requestor, the department must withhold all visible license plates and vehicle registration stickers under section 552.130 of the Government Code. The department must release the remaining information.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>2</sup> We note the requestor has a right of access to some of the information being released. *See* Gov’t Code § 552.023(a); ORD 481 at 4. Thus, if the department receives another request for the same information from a different requestor, the department must again seek a decision from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
