OR2022-27908

Dear Ms. Villafuerte:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 969325 (PIA# 0067).

The Uvalde Consolidated Independent School District (the "district"), which you represent, received a request for a specified report presented to the district's board on a certain date. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by

Section 552.108 [.]

Gov't Code § 552.022(a)(1). The submitted information consists of a completed report subject to section 552.022(a)(1). The district must release the completed report pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. *See id.* Although you raise section 552.103 of the Government Code for the entirety of the submitted information, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the submitted information may be withheld under section 552.103. However, we will consider your argument under section 552.108 for the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 414* at 4-5 (1987). Where a governmental body has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. You assert the submitted information is excepted under section 552.108(a)(1). Upon review, however, we find you have not demonstrated how release of the submitted information would interfere with law enforcement or crime prevention. Accordingly, the district may not withhold any of the submitted information under section 552.108(a)(1) of the Government Code. The district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
