

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 30, 2022

Mr. Albert DiMarco
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2022-28035A

Dear Mr. DiMarco:

This office issued Open Records Letter No. 2022-28035 (2022) on September 13, 2022. Since that date, we have received new information that affects the facts on which this ruling was based. *See* Gov't Code §§ 552.306, .352. Consequently, we hereby withdraw the prior ruling. This decision is substituted for Open Records Letter No. 2022-28035 and serves as the correct ruling. *See generally id.* § 552.011 (Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act"), chapter 552 of the Government Code). This ruling was assigned ID# 988117 (PIR 22-1953 and 22-1954).

The Texas Department of Public Safety (the "department") received two requests from different requestors for information pertaining to a specified incident. You state the department released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.¹

We must address the department's obligations under the Act. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). In this instance, the department received

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

the first request for information on June 28, 2022. You state the department was closed on July 4, 2022. This office does not count the date the request was received or holidays for purpose of calculating a governmental body's deadlines under the Act. Accordingly, the department's fifteen-business-day deadline was July 20, 2022. We note the envelope in which the department provided the information required by section 552.301(e)(4) is meter-marked September 26, 2022. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail). Consequently, we find the department failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because the department informs us, and provides documentation showing, the Leon County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the department may withhold the information at issue under section 552.108 of the Government Code on behalf of the district attorney's office.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a governmental body has custody of information relating to a pending case of another law enforcement agency, the custodian of records may withhold the information if it provides this office with a demonstration the information relates to a pending criminal case and representation from the law enforcement agency that it wishes to have the information withheld. The district attorney's office objects to the release of the submitted information because it relates to a pending criminal investigation and prosecution, and release of the information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to basic information). Thus, with the exception of basic information, which the department states it has released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
