ATTORNEY GENERAL OF TEXAS

Mr. Vic Ramirez  
Associate General Counsel  
Lower Colorado River Authority  
P.O. Box 220  
Austin, Texas 78767-0220

OR2022-28260

Dear Mr. Ramirez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 969904.

The Lower Colorado River Authority (the "authority") received a request for information pertaining to specified communications regarding two specified areas. You state the authority has released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

You seek to withhold the submitted information under section 552.111 of the Government Code. You state the submitted information consists of advice, opinions, and recommendations of authority employees regarding policymaking matters. Upon review, we find the authority may withhold the submitted information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
