Dear Mr. Briggs:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 972712 [Ref. No. W.7.5.22].

The Texas State Board of Pharmacy (the "board") received a request for complaints regarding the filling or refusal to fill a specified type of prescription. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 565.055 of the Occupations Code. Section 565.055 provides:

- (a) The board or the board's authorized representative may investigate and gather evidence concerning any alleged violation of this subtitle or a board rule.

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(b) Information or material compiled by the board in connection with an investigation, including an investigative file of the board, is confidential and not subject to:

(1) disclosure under [the Act]; or

(2) any means of legal compulsion for release, including disclosure, discovery, or subpoena, to anyone other than the board or a board employee or board agent involved in discipline of a license holder.

(c) Notwithstanding Subsection (b), information or material compiled by the board in connection with an investigation may be disclosed:

(1) during any proceeding conducted by the State Office of Administrative Hearings, to the board, or a panel of the board, or in a subsequent trial or appeal of a board action or order;

(2) to a person providing a service to the board, including an expert witness, investigator, or employee of an entity that contracts with the board, related to a disciplinary proceeding against an applicant or license holder, or a subsequent trial or appeal, if the information is necessary for preparation for, or a presentation in, the proceeding;

(3) to an entity in another jurisdiction that:

(A) licenses or disciplines pharmacists or pharmacies; or

(B) registers or disciplines pharmacy technicians or pharmacy technician trainees;

(4) to a pharmaceutical or pharmacy peer review committee as described under Chapter 564;

(5) to a law enforcement agency;

(6) to a person engaged in bona fide research, if all information identifying a specific individual has been deleted; or

(7) to an entity that administers a board-approved pharmacy technician certification examination.

Occ. Code § 565.055. You state the information at issue was compiled by the board in connection with investigations of an alleged violation of the Texas Pharmacy Act or board rule. You inform us the requestor is not entitled to this information pursuant to section 565.055(c). Therefore, based upon your representations and our review, we find the

information at issue is confidential under section 565.055(b) of the Occupations Code and must be withheld under section 552.101 of the Government Code.<sup>2</sup> *See* Open Records Decision No. 474 at 2-3 (1987) (construing predecessor statute).
