Mr. Joe Zapata

Houston Police Department

OR2022-28470

Dear Mr. Zapata:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 972662 (ORR# R073481).

The Houston Emergency Center (the "HEC") received a request for records related to a specified incident. The HEC claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the HEC claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

The HEC states the Houston Police Department (the “department”) has advised the submitted information is related to an active criminal investigation. The HEC informs us the department objects to disclosure of the information at issue because its release would interfere with the investigation. Based on these representations, we conclude the HEC may withhold Exhibit 2 under section 552.108(a)(1) of the Government Code on behalf of the department. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
