ATTORNEY GENERAL OF TEXAS

Mr. Brian S. Nelson
General Counsel
Corpus Christi Independent School District
P.O. Box 110
Corpus Christi, Texas 78403-0110

OR2022-28719

Dear Mr. Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 972819.

The Corpus Christi Independent School District (the "district") received two requests from the same requestor for information pertaining to a specified accident. The district claims the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

The submitted information consists of a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). The requestor is a person listed under section 550.065(c). Although the district asserts section

552.103 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.103 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the district may not withhold the information under section 552.103 of the Government Code. Thus, the district must release the submitted information pursuant to section 550.065(c) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
