ATTORNEY GENERAL OF TEXAS

September 20, 2022

Ms. Kelley K. Messer
First Assistant City Attorney
City of Abilene
P.O. Box 60
Abilene, Texas 79604-0060

OR2022-28836

Dear Ms. Messer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 973445 (ORR# 22-1364).

The City of Abilene (the "city") received a request for the names, dates of hires, and salaries of city employees. You claim some of the submitted information is excepted from disclosure under section 552.152 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

The city seeks to withhold the identifying information of undercover officers under section 552.152 of the Government Code. Section 552.152 provides,

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from [required public disclosure] if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov't Code § 552.152. The city represents the release of the undercover officers' identities would subject the officers to a substantial threat of physical harm. Therefore, we find

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

section 552.152 is applicable to the identities of the undercover officers within the information at issue. Accordingly, the city must withhold the identifying information of the undercover officers, which it marked, under section 552.152 of the Government Code.

You ask this office to issue a previous determination that would permit the city to withhold information subject to section 552.152 of the Government Code without requesting a ruling from this office. *See* Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
