OR2022-29429

Dear Ms. Rangel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 971086 (HISD ORR# 062022-01).

The Humble Independent School District (the "district") received a request for invoices pertaining to a specified contract and certain communications pertaining to a specified topic.¹ The district states it has released some information to the requestor. The district claims some of the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception the district claims and reviewed the submitted representative sample of information.²

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to

¹ The district states, and provides documentation showing, it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

Section 552.111 can also encompass communications between a governmental body and a third party, including a consultant or other party with a privity of interest. *See* Open Records Decision No. 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process). For section 552.111 to apply, the governmental body must identify the third party and explain the nature of its relationship with the governmental body. Section 552.111 is not applicable to a communication between the governmental body and a third party unless the governmental body establishes it has a privity of interest or common deliberative process with the third party. *See* ORD 561.

The district states the submitted information consists of advice, opinions, and recommendations of district officials and consultants regarding policymaking matters. The district also states it shares a privity of interest regarding the policymaking matters at issue with its consultants. The district further states the draft documents at issue were released in their final forms. Based on these representations and our review, we find the district has demonstrated some of the submitted information consists of advice or recommendations on the policymaking matters of the district. Thus, the district may withhold the information we have marked under section 552.111 of the Government Code. However, we find the remaining information is general administrative and purely factual information or does not pertain to policymaking. Therefore, we find the district has failed to demonstrate the remaining information constitutes internal communications containing advice, recommendations, or opinions reflecting the policymaking processes of the district. Accordingly, the remaining information may not be withheld under section 552.111, and the district must release it.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
