

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 23, 2022

Ms. Erika Orr
Public Information Lead
Dallas Independent School District
9400 North Central Expressway
Dallas, Texas 75231

OR2022-29507

Dear Ms. Orr:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 973957 (Internal File Nos. R021924-062222 and R021978-071222).

The Dallas Independent School District (the "district") received two requests from different requestors for information related to investigations involving a named administrator. You state the district has released some information to the requestors. You state you have redacted student-identifying information from the submitted documents pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.107 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

[T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

- (1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of completed investigations subject to section 552.022(a)(1) of the Government Code. The district must release this information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.107 of the Government Code for the information at issue, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See* Open Records Decision Nos. 676 at 10-11 (2002) (attorney-client privilege under Gov't Code § 552.107(1) may be waived), 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the information subject to section 552.022(a)(1) may be withheld under section 552.107. However, the Texas Supreme Court has held the Texas Rules of Evidence are "other law" within the meaning of section 552.022. *See In re City of Georgetown*, 53 S.W.3d 328, 336 (Tex. 2001). Accordingly, we will address your attorney-client privilege claim under rule 503 of the Texas Rules of Evidence for the information at issue. Additionally, because section 552.101 of the Government Code makes information confidential under the Act, we will address the applicability of this section to the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential[.]" Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined an "administrator" for purposes of section 21.355 means a person who is required to, and does in fact, hold an administrator's certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *Id.* at 4. The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You contend the submitted information consists of confidential evaluations of the named administrator by the district. You inform us the named administrator was certified as an administrator by the State Board of Educator Certification and was acting as an administrator at the time the evaluations were prepared. Based on your representations and

our review, we find the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
