Dear Ms. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 973639.

The Reeves County Sheriff's Office (the "sheriff's office") received a request for four categories of personnel information during a defined period of time. You claim the requested information is excepted from disclosure under sections 552.102 and 552.108 of the Government Code. We have considered the exceptions you claim.

Initially, we note the requestor seeks information created through the date of the request, as well as information created after the date of the request. It is implicit in several provisions of the Act that the Act applies only to information already in existence. *See* Gov't Code §§ 552.002, .021, .227, .351. The Act does not require a governmental body to prepare new information in response to a request. *See* Attorney General Opinion H-90 (1973); *see also* Open Records Decision Nos. 572 at 1 (1990), 555 at 1-2 (1990), 452 at 2-3 (1986), 87 (1975). Consequently, a governmental body is not required to comply with a standing request to supply information prepared in the future. *See* Attorney General Opinion JM-48 at 2 (1983); *see also* Open Records Decision Nos. 476 at 1 (1987), 465 at 1 (1987). Thus, the only information encompassed by the present request consists of information the sheriff's office maintained or had a right of access to as of the date it received the request.

Next, we must address the sheriff's office's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow

the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The sheriff's office received the clarified request for information on July 13, 2022. As of this date, you have not submitted for our review written comments explaining why the stated exceptions apply or a copy or representative sample of the information requested. Accordingly, we conclude the sheriff's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See* Gov't Code § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the sheriff's office raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
