

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 29, 2022

Mr. Stephen D. Gates
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2022-30111

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 975334 (ORR# M037852).

The Midland Police Department (the "department") received a request for records related to a specified search warrant. The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Initially, we note the submitted information includes a court-filed document. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record[.]" unless the information is expressly made confidential under the Act or other law. Gov't Code § 552.022(a)(17). The department seeks to withhold the information at issue under section 552.108 of the Government Code. However, this section is a discretionary exception to disclosure that protects a governmental body's interests and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the department may not court-filed documents, which we have marked, under section 552.108. However, we will address the department's argument against disclosure of the remaining information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested

information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the submitted information relates to an active investigation or prosecution. Based on this representation, we conclude release of the remaining information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release the marked court-filed document pursuant to section 552.022(a)(17) of the Government Code. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Claire V. Morris Sloan
