ATTORNEY GENERAL OF TEXAS

Mr. Theodore Stoll
Deputy City Clerk
City of Wichita Falls
P.O. Box 1431
Wichita Falls, Texas 76307

OR2022-30126

Dear Mr. Stoll:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 975666 (City# R001463-072022).

The City of Wichita Falls (the "city") received a request for information pertaining to a specified case. You state the city has released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue pertains to an open criminal case. Based on your representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we agree section 552.108(a)(1) is applicable to the information at issue. Thus, the city may withhold the information you marked under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information made confidential by chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). The city indicates it is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. The city marked a telephone number that it seeks to withhold. We conclude the city must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if it consists of the originating telephone number furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone number provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.318.

In summary, the city may withhold the information you marked under section 552.108(a)(1) of the Government Code. To the extent the marked number consists of the originating telephone number furnished by a 9-1-1 service supplier, the city must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
