Ms. Janica Terrell
Public Information Coordinator
City of Dallas
City Hall

Dallas, Texas 75201

OR2022-30178

Dear Ms. Terrell

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 975465 [ORR C0066601].

The City of Dallas (the "city") received a request for video footage pertaining to a specified incident. Although the city takes no position as to whether the submitted information is excepted from disclosure under the Act, you state release of the submitted information may implicate the proprietary interests of OVG360. Accordingly, you state, and provide documentation showing, you notified OVG360 of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from the notified third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude the notified third party has a protected proprietary interest in the submitted information. *See, e.g., id.*

§ 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest the notified third party may have in the information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See* Gov't Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her own motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). However, the city must withhold all visible license plates, license plate numbers, and registration stickers not belonging to the requestor within the remaining information under section 552.130 of the Government Code. The remaining information must be released.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Paige Lay

² We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a); ORD 481 at 4. Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.
