Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 975069 (Ref. No. LOMN070722).

The Houston Independent School District (the "district") received a request for specified body worn camera and surveillance camera recordings pertaining to an incident involving the requestor's client. You state the district does not maintain information responsive to a portion of the request.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

You assert the submitted body worn camera recording contains motor vehicle record information that is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's or driver's license or permit, or motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from

<sup>1</sup> The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

<sup>2</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

public release. Gov't Code § 552.130(a). We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his client's motor vehicle record information under section 552.023 of the Government Code. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). However, the submitted body worn camera recording contains motor vehicle record information not belonging to the requestor's client. You state the district does not possess the technological capability to redact information from video files. Thus, we agree district must withhold the entire body worn camera recording under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
