

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 5, 2022

Ms. Janet Moreno Farmer
Assistant Criminal District Attorney
Tarrant County
401 West Belknap, 9th Floor
Fort Worth, Texas 76196

OR2022-30692

Dear Ms. Farmer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 976632.

The Tarrant County Criminal District Attorney's Office (the "district attorney's office") received a request for nine categories of information pertaining to a specified project. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part, as follows:

[T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.022(a)(3). The submitted information includes information in an account, voucher, or contract relating to the receipt or expenditure of funds by Tarrant County that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* You seek to withhold the information at issue under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the district attorney's office may not withhold the information subject to section 552.022(a)(3), which we marked, under section 552.103 of the Government Code. As no further exceptions to disclosure have been raised, the district attorney's office must release the information we marked pursuant to section 552.022(a)(3) of the Government Code. However, we will consider your argument under section 552.103 of the Government Code for the information not subject to section 552.022 of the Government Code.

Section 552.103 of the Government Code provides, in part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

The district attorney's office states, and provides documentation showing, prior to the district attorney's office receipt of the instant request for information, a lawsuit styled *CDB General Contractors, L.L.C. v. Tarrant County, Tex.*, Cause No. 331926-22, was pending

in the 153rd District Court of Tarrant County, Texas. We understand the district attorney's office represents Tarrant County in the pending litigation. The district attorney's office also states the remaining information is related to the pending litigation. Based upon these representations and our review, we find litigation was pending when the district attorney's office received the request for information, and the remaining information is related to the pending litigation for purposes of section 552.103. Therefore, the district attorney's office may withhold the remaining information under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

In summary, the district attorney's office must release the information we marked pursuant to section 552.022(a)(3) of the Government Code. The district attorney's office may withhold the remaining information under section 552.103(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
