

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 5, 2022

Mr. Albert Tovar
Office of General Counsel
VIA Metropolitan Transit
123 North Medina Street
San Antonio, Texas 78207

OR2022-30704

Dear Mr. Tovar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 976640.

VIA Metropolitan Transit ("VIA") received a request for a specified contract. You claim some of the submitted information is excepted from disclosure under section 552.136 of the Government Code. Additionally, you state release of the submitted information may implicate the proprietary interests of Mendez Engineering, PLLC. Accordingly, you state, and provide documentation showing, you notified this third party of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted arguments and reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why info relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from the notified third party. Thus, we have no basis to conclude the notified third party has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, VIA may not withhold any portion of the submitted information on the basis of any proprietary interest the notified third party may have in the information.

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a government body is confidential.” *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined an insurance policy number is an access device number for purposes of this exception. *See* Open Records Decision No. 684 at 9 (2009). Accordingly, VIA must withhold all insurance policy numbers within the submitted information under section 552.136 of the Government Code. VIA must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839.
