

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

October 11, 2022

Mr. Montgomery Meitler  
Senior Counsel  
Texas Education Agency  
1701 North Congress Avenue  
Austin, Texas 78701-1494

OR2022-31061

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 977447 (TEA PIR# 54774).

The Texas Education Agency (the "agency") received a request for a information pertaining to a specified investigation. You state you will release some information to the requestor. You also state you will withhold social security numbers pursuant to section 552.147(b) of the Government Code.<sup>1</sup> You claim the submitted information is excepted from disclosure under Texas Rule of Civil Procedure 192.5. We have considered the submitted argument and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, we note, and you acknowledge the submitted information consists of a completed investigation that is subject to section 552.022 of the Government Code. Section 552.022(a)(1) provides for required public disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body" unless the information is excepted from disclosure under section 552.108 of the Government Code or expressly confidential under the Act or "other law." Gov't Code § 552.022(a)(1). The Texas Supreme Court has held the Texas Rules of Civil Procedure are "other law" for the purposes of section 552.022. *See In re City of Georgetown*, 53 S.W.3d 328, 337 (Tex. 2001). Accordingly, we will address your claim under Texas Rule of Civil Procedure 192.5.

---

<sup>1</sup> Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).

<sup>2</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Rule 192.5 encompasses the attorney work product privilege. Rule 192.5 defines work product as

(1) material prepared or mental impressions developed in anticipation of litigation or for trial by or for a party or a party's representatives, including the party's attorneys, consultants, sureties, indemnitors, insurers, employees, or agents; or

(2) a communication made in anticipation of litigation or for trial between a party and the party's representatives or among a party's representatives, including the party's attorneys, consultants, sureties, indemnitors, insurers, employees or agents.

TEX. R. CIV. P. 192.5(a). A governmental body seeking to withhold information under this exception bears the burden of demonstrating the information was created or developed for trial or in anticipation of litigation by or for a party or a party's representative. *Id.* 192.5; Open Records Decision No. 677 at 6-8 (2002). In order for this office to conclude the information was made or developed in anticipation of litigation, we must be satisfied that

a) a reasonable person would have concluded from the totality of the circumstances surrounding the investigation that there was a substantial chance that litigation would ensue; and b) the party resisting discovery believed in good faith that there was a substantial chance that litigation would ensue and [created or obtained the information] for the purpose of preparing for such litigation.

*Nat'l Tank Co. v. Brotherton*, 851 S.W.2d 193, 207 (Tex. 1993). A "substantial chance" of litigation does not mean a statistical probability, but rather "that litigation is more than merely an abstract possibility or unwarranted fear." *Id.* at 204; ORR 677 at 7.

Furthermore, if a requestor seeks a governmental body's entire litigation file, the governmental body may assert the file is excepted from disclosure in its entirety because such a request implicates the attorney work product privilege. *See* ORD 677 at 5-6. Thus, in such a situation, if the governmental body demonstrates the file was created in anticipation of litigation, this office will presume the entire file is within the scope of the privilege. *See* Open Records Decision No. 647 at 5 (1996) (organization of attorney's litigation file necessarily reflects attorney's thought processes (citing *Nat'l Union Fire Ins. Co. v. Valdez*, 863 S.W.2d 458, 461 (Tex. 1993))); *see also* *Curry v. Walker*, 873 S.W.2d 379, 380 (Tex. 1994) (holding "the decision as to what to include in [the file] necessarily reveals the attorney's thought processes concerning the prosecution or defense of the case").

You inform us the agency "regulates and oversees all aspects of the certification, continuing education, and enforcement of standards of conduct for certified educators in Texas public schools under the authority of [c]hapter 21 of the Education Code." *See* Educ. Code §§ 21.031(a), .041. You also explain the agency litigates enforcement proceedings under

the Administrative Procedure Act (the “APA”), chapter 2001 of the Government Code. *See id.* § 21.041(b)(7); 19 T.A.C. § 249.3. You state the submitted information consists of the entire case file pertaining to an investigation of alleged educator misconduct. You also state the file was created by attorneys, legal staff, and other representatives of the agency in anticipation of litigation. Based on these representations, we conclude the agency may withhold the submitted information as attorney work product under Texas Rule of Civil Procedure 192.5.

Finally, you ask this office to issue a previous determination permitting the agency to withhold certain information under Texas Rule of Civil Procedure 192.5 without the necessity of requesting a decision under section 552.301 of the Government Code. *See Gov't Code* § 552.301(a) (allowing a governmental body to withhold information subject to previous determination); ORD 673. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839.
