Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 977454 (ORR No. W040946).

The City of Killeen (the "city") received a request for certain information pertaining to a specified location. Although you take no position as to whether the submitted information is excepted from disclosure under the Act, you state release of the submitted information may implicate the proprietary interests of Mitchell & Associates, Inc. ("Mitchell").¹ Accordingly, you state, and provide documentation showing, you notified Mitchell of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments

¹ We note we asked the city to provide additional information pursuant to section 552.303 of the Government Code. *See* Gov't Code § 552.303(c)-(d) (if attorney general determines that information in addition to that required by section 552.301 is necessary to render decision, written notice of that fact shall be given to governmental body and requestor, and governmental body shall submit necessary additional information to attorney general not later than the seventh calendar day after date of receipt of notice). We have received and considered the information submitted by the city pursuant to that request.

from Mitchell explaining why the submitted information should not be released. Therefore, we have no basis to conclude Mitchell has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest Mitchell may have in the information. As no exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
