Dear Ms. Meredith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 974085 (ORR# 1697).

The City of Denison (the "city"), which you represent, received a request for information pertaining to a specified address. The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 773.091 of the Health and Safety Code, which provides, in part, the following:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex,

occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Upon review, we find the submitted information consists of records of the identity, evaluation, or treatment of patients made and maintained by emergency medical services personnel. Thus, section 773.091 is applicable to this information. Therefore, with the exception of the information subject to section 773.091(g) of the Health and Safety Code, which the city must release, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.¹
