ATTORNEY GENERAL OF TEXAS

Ms. Esther Y. Pena  
City Attorney  
City of Mission  
1201 East 8th Street  
Mission, Texas 78572

OR2022-31513

Dear Ms. Pena:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 978147 (Ref. No. 22-0621).

The City of Mission City (the "city") received a request for the investigation reports, dash camera, body worn camera recordings, and photographs regarding a specified incident. You state the city does not maintain information responsive to a portion of the request.<sup>1</sup> You also state the city has released some information to the requestor. You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. We have considered your argument and reviewed the submitted information.

Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) of the Occupations Code provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

---

<sup>1</sup> The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review, we note the submitted recordings do not consist of body worn camera recordings. Therefore, the submitted information is not subject to chapter 1701 of the Occupations Code and the city may not withhold any portion of it on that basis.

Next, we note the submitted information contains a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”<sup>2</sup> Gov’t Code § 552.101. This section encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator’s or driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country. *See* Gov’t Code § 552.130. Accordingly, the city must withhold all license plates and registration stickers within the submitted recordings under section 552.130 of the Government Code.

---

<sup>2</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the city must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with 550.065(b) of the Transportation Code, but must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code. The city must withhold all license plates and registration stickers within the submitted recordings under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
