Dear Mr. Page:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 978402.

The City of Haslet (the "city"), which you represent, received a request for information pertaining to a specified agreement. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the interests of the Tarrant County Commissioners Court ("TCC"). Accordingly, you state the city notified the TCC of the request for information and of its right to submit arguments to this office. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have reviewed the submitted information.

As of the date of this letter, we have not received comments from the TCC explaining why any portion of the submitted information should not be released to the requestor. Thus, the city may not withhold the submitted information based on any interests the TCC may have in the information at issue. As no exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
